Lobster Roll Trays \$275

Each tray includes (16) 2oz sliders. Always fresh Claw and Knuckle lobster meat, served in a New England split top bun. (Bibb available for GF option.)

Your choice between two styles per tray:

Maine Shack Style- Our classic cold roll. Claw and knuckle meat lightly tossed with mayo and topped with a drizzle of drawn butter

Brown Butter Style- One of our warm rolls. The lobster is gently poached in brown butter which gives it extra richness from the browned milk bits

Connecticut Style- Just like the brown butter roll, except this one is poached in clarified butter providing a more classic lobster & butter flavor

Order styles must be placed ahead of time. Mix and match will be half one style, half the other.

Want to try all three styles? Make it a trio platter!
